

K-Love provides me an encouraging and inspiring music station. When I was at my lowest points, the station's music and comments were right there to lift me back up. I believe that if K-Love were displaced it would be a major loss to our community. I know of many people (myself included) that have been reached by it's healing touch. My community needs a safe, encouraging music station out there for us. It helps ground us to our faith and friends. It's positive music is very much needed in this crazy world of ours. A place that one's whole family can listen to and prosper from its messages. Please do not let this wonderful station be replaced by an LPFM.
